

GUSTAVO THRACE WINES

2005 SAUVIGNON BLANC

This Sauvignon Blanc has a balanced acid level that is refreshing and clean, finishing with the flavors of pears, yellow straw and honey. Gustavo Thrace loves what the Mohr-Fry Ranch is doing in the vineyard so much that we have been utilizing their fruit for 5 years. The fruit was harvested at 22.5 Brix. French yeast was added and the wine was fermented and aged in small stainless steel tanks to preserve the crispness. 600 cases
